What we do		

How does Security Bank and Trust Company protect my personal information?

To Protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to information to those employees for whom access is appropriate.

How does Security Bank and Trust Company collect my personal information?

We collect your personal information, for example, when you

- Open an account
- Pay us by check
- Apply for a loan
- Show your driver’s license
- Make deposits or withdrawals from your account

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

Federal law gives you the right to limit only

- Sharing for affiliates' everyday business purposes - information about your creditworthiness.
- Affiliates from using your information to market to you.
- Sharing for nonaffiliates to market to you.

State laws and individual companies may give you additional rights to limit sharing.
See below for more on your rights under state law.

Why can't I limit all sharing?
